

Religious Education Parish - Parent Covenant

2010-2011

Parish Commitment:

St. Elizabeth Ann Seton Parish Religious Education Program is committed to fostering Christ-centered spiritual growth and Catholic identity in an atmosphere that enhances a student's ability to receive a quality education which instills a life-long love of learning, growth in self-awareness, acceptance of the diversity of people, and provides opportunities for service to God.

Parent Commitment:

As we enroll our children in the Religious Education Program, we pledge our role as "faith connectors" or those who make the connection to life and faith for our children by:

- ❖ Being an example of Christian morality through our daily living
- ❖ Making daily prayer a regular part of our family's life
- ❖ Attending Sunday Mass with our children
- ❖ Making the connection between religious education and the "real world"
- ❖ Modeling for them that faith formation is a life-long process by attending all the required events that are part of the 2010-2011 RE program, and any others of my own choosing that are offered through St. Elizabeth's

Please plan to attend our Religious Education Kickoff Mass: Wednesday, September 1st, 2010
