

## Updated Covid-19 safety protocols you need to know when attending St. Elizabeth Ann Seton Parish in person

---

---

### We're so glad you'll be joining us in person!

In light of the most recent changes regarding Covid-19 guidelines, and based on Archbishop Jackel's instruction allowing parishes to make Covid-19 safety protocol updates as necessary, as of September 1<sup>st</sup>, 2021, the following protocols will apply:

- All parishioners are encouraged to wear masks in the building.
- While distributing Holy Communion, Eucharistic Ministers will wear masks.
- Be mindful of social distancing between others not in your immediate household.

We are asking all parishioners to consider these guidelines in order to care for those who are most vulnerable and unable to be vaccinated such as children, the elderly and those who are immunocompromised.

If you are still unsure about joining us in person, please join us online through our [livestreamed Masses](#). We have no plans of ending our Mass livestreams.

If you have any questions or concerns, please contact us at [office@seasp.org](mailto:office@seasp.org) and we will be happy to address them.

Sincerely,

The staff at St. Elizabeth Ann Seton Parish
